

So, Shravya L, will you go on a date with me? I would be honoured to call you “mine” and to share even more wonderful experiences together. I hope we can take this step and see where it leads us.

## BAMBINO

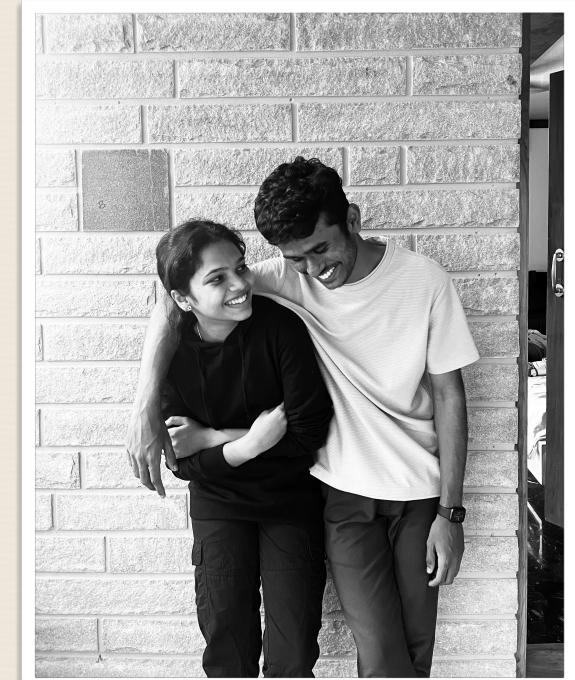

I hope this letter finds you well and brings a smile to your face. There's something important I've been wanting to tell you for a while now, and I thought writing it down might be the best way to share my feelings.

My Favourite picture with you.

I absolutely love this photo. Whether it's the way you're looking at me or your beautiful smile, it always captures my heart. It's my contact poster, and every time I see it, it reminds me of the special bond we share."

*Mornings and Nights*

I have woke up with you. I am having breakfast with you, I am saying bye when you're leaving for college. I said hi when you return from college there when you're doing your homework, I'm there with you when you're studying I am there when you eat your lunch I'm there when you eat your dinner too, even though you skip most of the time.

Hey baby, asking you to have breakfast with me together, lunch together and dinner together. And spent days and. Nights together? Forever and ever. Through the ups and downs through the hopeless days to the future that we defined together.

# SOUVENIRS

It means “memories” in French. I have many mental photos of you in my heart. Here are few from the picture from my book(MacBook).

## AFTER GOODNIGHT KISSES:

I can't sleep without your good night kisses over FaceTime. They mean everything to me and make me feel so close to you, even when we're apart. Sweet dreams, my love.

## THE FLEXES:

Oh oh oh. Look at that face, clear as my love to you. And those biceps as strong as our love. Everything you show me, I adore it. Those smile in those pictures are priceless, I would do anything to see that smile.

## THE REFLECTIONS:

I know I annoy you when I ask you get up and go and stand in front of the mirror. I'm really sorry. But, those pictures are always the best whether you are wearing shorts or pants, it doesn't matter, you always look pretty.
