

**The most
beautiful
thing ever.**

HER

YES, THATS THE BEAUTY

Hey, baby ma. I know I wasn't the guy you met accidentally nor I was the guy you had dreamt of. I know im a failure. But when im with you, you dont make me feel like that coz with you I have won. I come there with you one look from you is like an hug. And thats all it take to make me feel like im at home. Humans have this thing to call the person home. They do feel like am at home.

I deserve to be dead, I have no right to treat you this way. You dont deserve any of this. Im sorry for treating you like this.

This I had written long ago, I just saw it am im sending to you. Look at how you look in that atm camera. An im not printing and giving because if you get. Mad at me I know you'll burn this I love you baby. Im sorry lo. If you dont feel like being with me anymore just tell me, dont be like you are stuck with me. I want you to feel free, I love you baby ma.
